### Doc's NBA Playoffs Special - \$349

This will be Doc's Sports fourth profitable season and we are expecting great results for the playoffs. We profited all of the months of the NBA season except February. We look to keep that profitable season going in the playoffs. We have a great feel for the teams in the playoffs and we are expecting plenty of profits. \$100 bettors have made more than four times their initial investment in the regular season and they expect more of the same during the NBA Playoffs.
