Doc's Sports will provide you with our 1st, 2nd, & 3rd choices to win the 2011 Kentucky Derby. You may play them either as win, place, or show bets or together in what will certainly be a high paying exotic bet. In addition Doc's will provide you with a \$100 recommended bet, the exact same bet Doc himself will be making in Louisville, Kentucky, watching the race in person. This same bet would have grossed you \$720 in the 2005 Belmont Stakes Race. In 2007 we hit the trifecta in the Preakness and superfecta in in the Belmont.

With 20 horses in the field, it is almost a certainty that exotic bets will approach five figure payouts. We will focus most of our bankroll on win/place/show bets, as this gives us the best chance to collect. The remaining balance will be a \$1 five horse exacta.

Many of the legendary jockeys have retired leaving this year's field full of talent, but lacking big race experience. Trainers will again take the spotlight during the week, as many of the big names will saddle horses.
