All games on NBC, Versus or Regional Sports Networks.
Higher seed will have home ice in each match-up and will play the lowest remaining seed in Round 2.

Note: teams may filter to different pods after round one depending on the 4 remaining teams in each conference.

Doc's Sports had an outstanding finish to the NHL regular season with a 35-14 run picking up +104 units. We nailed all three of our game of the year selections during this time (Eastern, Western, & Midwest) and are currently offering a playoff special for only \$149. This will give you every daily selection that we make through the end of the finals in June. Also included are any series predictions, prop bets, plus the team we think will win it all.
