Doc's NBA Playoffs Special - \$249 - Take Part in Record-Setting Season

We have won three straight years in NBA. This has been called the hardest sport to make a profit for sports betting but our track record speaks for itself. We gained +175 units for 2005-06 and 2007-08 and we are on pace to shatter our two-year total this year. We have gained +144 units (\$100 bettors have picked up a profit of \$9,660) this season and we really think we can top +200 with a great play-offs. We will have an 8-Unit Playoffs Game of the Year coming soon, most likely in the first round. We are on a 8-0 run for picks rated 5-Units or higher and 8-0 for 6-Unit picks this season.
